

IOD Plan

Here at Philadelphia Dental Associates we care about our patients' dental health. In order to offer the **best care** possible, we offer an "In Office Dental Plan" to our patients who do not have any dental insurance. This plan allows our patients to receive our excellent dental care without being too expensive.

Compare Prices

Usual New Patient Price

Dental Cleaning **\$78.00**

Full Mouth X-rays **\$102.00**

Initial Comp Exam **\$80.00**

Total: \$260.00

Usual Price 6 Month Visit

Dental Cleaning **\$78.00**

Bitewing x-rays (Check-up) **\$50.00**

6 month exam **\$50.00**

Total: \$178.00

Approximate usual cost of these 2 visits in one year
is **\$438.00**

Our "In Office Dental Plan" covers 2 dental cleanings, **ALL** examinations (including emergency examinations), and **ALL** x-rays for a yearly cost of only **\$200.00**. If you come in every 6 months, as is recommended, this plan costs less than half of our usual price! It also offers **15%** off the cost of: fillings, extractions, and periodontal (gum) treatment and whitening products, as well as **\$100.00** off root canal therapy, crowns, bridges, full dentures and partial dentures.
